Level of Impact Focus

Describe your company's approach to creating positive impact.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes.
Oreating positive social or environmental impact is not a focus for our business
OWe occasionally think about the social and environmental impact of some aspects of our business, but not frequently.
OWe frequently consider our social and environmental impact, but it isn't a high priority in decision-making.
• We consistently incorporate social and environmental impact into decision-making because we consider it important to the
success and profitability of our business.
O We treat our social and environmental impact as a primary measure of success for our business and prioritize it even in cases
where it may not drive profitability.

positive environmental impact, and if so, opens the Environmental Impact Business Model section that is most applicable.

Environmental Business Model

Are your company's products/services or processes structured to restore or preserve the environment in any of the following ways? (Please note: the environmental impact of your day-to-day operations will be assessed in the remaining sections of the Environment Impact Area. This question is specifically asking about your products/services or innovative production processes.)

Answering affirmatively will opt you into additional sections of the B Impact Assessment with more specific questions about this Impact Business Model.

Through an innovative manufacturing, wholesale or agriculture process which is designed to significantly reduce environmental impact compared to typical practices for the industry

Through a product or service that preserves, conserves, or restores the environment or resources

Description of Positive Environmental Product / Service Impact

How would you describe the positive outcome for the environment created by your product/service?

Jurlique skin care products are based on natural and plant-based ingredients. Essentially, we minimise chemical inputs on the customers' skin as well as the earth.

Points Available: 0.00

Environmental Product or Service Impact

Is the environmental impact you've described part of your products' or services' impact (excluding packaging), or is it a part of the way that your company operates?

Companies should earn revenue from the product or service that has an environmental impact. Please do not include pro bono efforts within this section.

The impact is created by a revenue-generating product/service line (e.g. selling non-toxic cleaning products, sustainability consultancy)

The impact is created by the company's daily operations (e.g. using non-toxic cleaning products in the company's headquarters) and not the core product/service

Environmental Product Benefits

Points Available: 0.00

In what way or ways does your product/service conserve the environment?

Please select ONE option per product line. You may select an additional option if your product line has two separate environmental
attributes.
Provides or is powered by renewable energy or cleaner-burning energy than market alternatives (e.g. solar panel
manufacturers/installers, hybrid vehicles)
Conserves or diverts resources (including energy, water, materials, etc.)
Conserves or preserves the well-being of land and/or animals (e.g. land protection or reforestation services, sustainably
harvested agricultural products)
☑ Reduces or is made of less toxic/hazardous substances (e.g. brownfield remediation services, organic certified food, non-toxi
cleaners)
Educates, measures, researches, or provides information to solve environmental problems (e.g. environmental consulting or
auditing)

We are a pioneer of using the biodynamic certified flowers and herbs for skin care products. For more than 35 years, Jurlique has followed the same meticulous path, from the seeds we plant to the products that reach your skin. This path was laid down by our founders, Ulrike and Jurgen Klein, inspired by a vision to create high-performing, pure and natural skincare. At the heart of this vision is our unique biodynamic* farm in the pristine Adelaide Hills, where we support the health and vitality of the land, sustainably planting and harvesting powerful farm-grown botanicals used in our natural skincare.
