

**Danone Canada
2021 Brand List**

Brands

Brands that are not distinct operating entities included in the Parent Company's certification are not Certified B Corps themselves, but may use the Certified B Corporation logo if B Lab has determined that they have independently met the performance requirement for certification. Otherwise, the Certified B Corporation logo shall only be used in reference to the brand as part of the Parent Company's certification.

Brand List

Below is a list of brands included in the scope of certification at the time of Danone Canada's recertification. These brands have been determined to have met the performance standards for certification independently and can therefore use B Corp IP.
