

B Corp Certification - Disclosure Questionnaire Documentation

Disclosure Questionnaire category: Biodiversity and/or Monoculture

Updated as of: 10/13/2023

Manuka Bioscience is involved in activities that could affect local biodiversity, meaning that they are more likely to have significant impacts on the environment given its interference with the balance of local fauna and flora. Certified B Corps are required to make transparent their involvement in such practices.

Any party aware of specific company practices that have had a negative impact related to their involvement in the sensitive industry, and which may constitute a violation of the B Corp standards, may contact us via our [public complaints procedure](#).
