Description of Positive Environmental Product / Service Impact

How would you describe the positive outcome for the environment created by your product/service?

Our plant-based beverages offer not only nutritional and health benefits, but also a comparatively lower carbon footprint and environmental impact (less water, land use) than alternatives such as dairy and meat products.

Environmental Product or Service Impact

Is the environmental impact you've described part of your products' or services' impact (excluding packaging), or is it a part of the way that your company operates?

Companies should earn revenue from the product or service that has an environmental impact. Please do not include pro bono efforts within this section.

• The impact is created by a revenue-generating product/service line (e.g. selling non-toxic cleaning products, sustainability consultancy)

O The impact is created by the company's daily operations (e.g. using non-toxic cleaning products in the company's headquarters) and not the core product/service

Points Available: 0.00

Environmental Product Benefits

In what way or ways does your product/service conserve the environment?

Please select ONE option per product line. You may select an additional option if your product line has two separate environmental attributes.

Provides or is powered by renewable energy or cleaner-burning energy than market alternatives (e.g. solar pane
manufacturers/installers, hybrid vehicles)

Conserves or diverts resources (including energy, water, materials, etc.)

Conserves or preserves the well-being of land and/or animals (e.g. land protection or reforestation services, sustainably harvested agricultural products)

✓ Reduces or is made of less toxic/hazardous substances (e.g. brownfield remediation services, organic certified food, non-toxic cleaners)
