When a pandemic teaches you what
you really need

Boldr & the Infinite Game

2020 was challenging on multiple fronts for the world and for us as a mission-driven outsourcing company. Resources and mobility were limited while the needs of the community continued to grow as a result of jobs, education, and health being among the most negatively impacted sectors by COVID-19. Our goal as a company as we looked after our own teams was to continue fulfilling our promise to continue to make an impact in the community.

We started by mobilizing online volunteers to support healthcare workers to access alternative forms of transportation as mass transportation was halted due to lockdowns. We pivoted to supporting access to both modular and distance learning support for students from disadvantaged communities. Our impact efforts culminated in supporting communities and households struck by a typhoon by providing relief and water support.

These efforts were all made possible through the generous and unwavering commitment of our team members to our mandate as a mission and impact driven company.

Typhoon Ursula Relief Efforts

“Seeing your compassion and genuine care when we loaded and unloaded thousands of family packs to serve more than 50,000 individuals is just heartwarming and it only shows how much you care as a company to the community around you.”

Neva Homeres Johannesen
Executive Director
Streetlight Philippines Inc.

In Numbers:

3 Municipalities, **50,000** Beneficiaries (**1,000** families)
3 organizational partners, **10** volunteers

Boldr in partnership with Streetlight and BDO Foundation launched a 3-day relief operations in the Eastern Visayas region of the Philippines after Typhoon Ursula hit and affected Eastern Samar. The mission delivered over 50,000 food and relief packages to families across three of Eastern Samar's hardest hit municipalities, General MacArthur, Quinapondan and Hernani.

Team Boldr supports frontliners through Life Cycles Philippines

In April 2020, Boldr partnered with Life Cycles Philippines, a local community-led movement that worked to provide frontliners and essential workers in hospitals and supermarkets bicycles as a means of transportation in light of quarantine restrictions. Transportation and mobility was severely limited in Metro Manila despite the need for many nurses, hospital workers, and mall personnels to still report to work. Most of the essential workers endured 2 to 3 hour walks daily from their place of residence to their workplace.

Boldr mobilized around 30 volunteers by providing data management, logistical coordination, and social media management between the Life Cycles team and the beneficiary hospitals and institutions. In total, Boldr's support of Life Cycle contributed to the donation of over 1,000 bikes to over 50 hospitals and supermarkets across Metro Manila.

Gems Heart is New Partner for AMV Philippine Scholars

“Thank you for choosing Gems Heart because we have a common mission and vision of empowering the youth. We are looking forward to strengthening our partnership in reaching more children in need.”

Corazon Buenasflores
President
Gems Heart Outreach Development, Inc

In Numbers:

21 scholars
1 organizational partner

Boldr and AMV Philippines' partnership started in the earliest days of the company, with Boldr extending financial support to sustain AMV's operations. The COVID-19 pandemic led to the shutdown of AMV Philippines, leaving the 21 scholars under its auspices without a facilitating organization.

Boldr stepped in and found Gems Heart, an organization based in Cavite with the capacity to take over the scholarship program and social development of the scholars. Gems Heart has been running the program since June 2020 and has taken the Scholarship Coordinator formerly under AMV under their employ to ensure a seamless transition.

A Baseco Learning Hub is presently in the works, making use of Boldr's old computer units to aid in the scholars' online learning. The Hub is slated to open within the first quarter of 2021.

8PARTNERSHIPS
FOR THE GOALS

Boldr Partners with DataCamp to Provide Licenses to 2 NGOs

Boldr supported DataCamp's year long initiative towards donating annual DataCamp Premium subscriptions to organizations in support of these communities that need skills to get jobs and advance their careers during these difficult times . This allows DataCamp to help people while fostering new relationships with organizations that align with their mission of democratizing data skills.

Streetlight Sets Up A Learning Hub Powered by Boldr

“Changing the world for one child at a time has never been more difficult at this time of a pandemic. Thanks to Boldr, because of our partnership we were able to realize this e-learning center that has reached 101 scholars.”

Neva Homeres Johannesen
Executive Director
Streetlight Philippines Inc.

In Numbers:

116 student beneficiaries

2 organizational partners, 8 volunteers

Boldr, through its long term partnership with the Tacloban-based child protection NGO Streetlight, has helped support and establish a distance learning hub aimed to expand access to learning opportunities for communities and students in Northern Tacloban. The Facility houses over 100 desktops and aims to benefit upwards 300 students living in the Tagpuro area of Tacloban.

1 + 1 = 3 Initiative Adopts Fatima Elementary School

The COVID-19 pandemic necessitated a shift to distance learning on a scale that small schools were unprepared for. Fatima Elementary School in Leyte is one such school, with only 7 teachers for roughly 150 children who come mostly from fisher and farmer families.

Through the 1+1=3 Initiative, Boldr and its Clients were able to adopt Fatima Elementary by providing for the modular learning needs of the students. Together, we provided 140 reams of paper, 150 envelopes, 175 pad papers, 120 dozens of pencils, and 60 ink refill bottles.

This project, completed in November, was made possible with the generous support of Veldt, Yummy Bazaar, Twenty Billion Neurons, and Coassemble.

Boldr's Company Wide Mental Health Program

mindnation

Part of Boldr's commitment to supporting its team is an intentional and holistic long-term integration of Mental Health initiatives into its company engagement program. In 2020, Boldr has held over 25 mental health webinars, counseling sessions, and has ramped up its support by partnering with MindNation which provided 24/7 access to mental health services to all Boldr team members and their families.

Boldr Computers Find New Home in Taytay Community

“Malaki po ang tulong ng contribution ng Boldr... the equipment na pinrovide nila is helpful po sa mga estudyante sa kanilang pag-aaral through the online class system and also for the tutors na makagawa sila ng mga materials for their tutorial programs.”

“Boldr’s contribution helped greatly...the equipment they provided is helpful for students in the online class system and also for the tutors to create materials for their tutorial programs.”

Eugene de Vera
IT Personnel
Gintong Aral Community Development Inc

In Numbers:

72 student beneficiaries, **12** tutors
1 organizational partner

Boldr’s previously-used computer units have found a new home in a creekside community in Barangay Dolores, Taytay, Rizal. The company partnered with Gintong Aral Community Development Inc., a non-government organization dedicated to the upliftment of quality of life. The seven computer units are being used for the organization’s ABAKADA ng Batang Frontliner Program which provides tutorials and access to mentorship for holistic education. In the first month since the equipment was turned over, it has supported the distance learning of 72 students and the creation of learning materials of 12 tutors.

2 ZERO HUNGER

Team Boldr Contributes to ST Rolly Response Efforts

Boldr team members pitched in to contribute to relief efforts in Bicol and Quezon City following the onslaught of Super Typhoon Rolly

Donations from the team added up to a sum of P61, 249 which were distributed to Good Neighbors Philippines and Gayon LGBT.

In Numbers:

486 beneficiaries

2 ZERO HUNGER

Team Boldr Contributes to ST Rolly Response Efforts

"We give you our deepest gratitude for your kind hearts and we pray that this year will be a more fruitful one for Boldr Inc. and its management and staff"

Celeste Apa
Fundraising Coordinator
Good Neighbors International Philippines

In Numbers:

486 beneficiaries

2 organizational partners

Good Neighbors utilized P41,429 for two locations. In Gigmoto, Catanduanes, they provided hygiene kits, sleeping kits (mosquito repellants and blankets), tarpaulins for temporary shelter, drinking water, and COVID-19 essentials (facemasks, face shield, and alcohol). In Bagong Silangan, Quezon City, they held an emergency response/Christmas activity benefitting 190 children.

Gayon LGBT used P20,000 to provide food packs to three Albay locations. They distributed 44 food packs in Malinao, 42 in Tabaco, and 80 in Tiwi. Our donations, combined with that from other benefactors, helped deliver rice, canned goods, noodles, crackers, and buckets and dippers.

2 ZERO HUNGER

Boldr and Interfolio Mobilizes Resources For Typhoon Ulysses Aid

Boldr and Interfolio worked together to extend financial resources to Cagayan Province after the region suffered devastating floods brought by Typhoon Ulysses.

We partnered with Waves for Water to provide 10 water filtration units, with each unit able to supply potable drinking water to 100 people for at least five years. Among the beneficiaries are communities in Barangays Dafunganay, Baccuit and Agguirit.

In Numbers:

1,500 beneficiaries (300 families)

2 organizational partners

Boldr and Interfolio Mobilizes Resources For Typhoon Ulysses Aid

We also worked with Tanging Yaman Foundation to provide relief goods. A hundred families in Tuguegarao received relief packs, distributed on December 30 through the Diocese of Cagayan.

In Numbers:

1,500 beneficiaries (**300** families)

Boldr's Impact in 2021

Boldr's work and contributions to the community in 2020 continued in new and more innovative ways despite real limitations posed by the COVID-19 pandemic.

While these limitations may still persist in the foreseeable future, our goal as an impact-driven company is to continue leveraging our resources to meaningfully alleviate the negative effects of the pandemic to individuals' jobs and livelihoods as well as learning opportunities.

We commit to continuing our partnerships with NGOs, schools to support communities, this time, beyond the Philippines. As Boldr continues to expand globally, we commit to bringing our impact work wherever we go and grow.

Our people that make up our company is what makes our impact work possible. We are committed to ensuring that every business and organizational decision we make in 2021 has real and measurable contributions to the Sustainable Development Goals through the communities we will support. We are committed to allocating at least 5% of our team members time to participate in meaning personal development activities such as volunteering their time and skills pro-bono for grassroots organizations NGOs that need support.

On behalf of Boldr's Impact team, we want to thank and acknowledge every partner, client, and team member that gave their time, energy, and money to making Impact possible in 2020.

Thank you and let's continue creating meaningful impact in 2021!
