

B Corp Certification - Disclosure Questionnaire Documentation

Disclosure Questionnaire category: Energy and Emissions Intensive industry

Updated as of: 10/24/2023

Lyka is involved in the production/sale of products, or is part of an industry that can potentially be classified as energy and emission-intensive, meaning that they are more likely to have significant impacts on the environment based on their carbon emissions associated with their operations and their contribution to climate change. Certified B Corps are required to make transparent their involvement in such activities or industries.

Any party aware of specific company practices that have had a negative impact related to their involvement in the sensitive industry, and which may constitute a violation of the B Corp standards, may contact us via our [public complaints procedure](#).
