#### **Level of Impact Focus**

Describe your company's approach to creating positive impact.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes. Ocreating positive social or environmental impact is not a focus for our business O We occasionally think about the social and environmental impact of some aspects of our business, but not frequently. O We frequently consider our social and environmental impact, but it isn't a high priority in decision-making. We consistently incorporate social and environmental impact into decision-making because we consider it important to the success and profitability of our business. Owe treat our social and environmental impact as a primary measure of success for our business and prioritize it even in cases where it may not drive profitability. Points Available: 0.00

#### Mission Statement Characteristics

Does your company's formal, written corporate mission statement include any of the following?

A formal written corporate mission statement is one that is either publicly facing or formally shared with the employees of the company. Please check all that apply.

No social or environmental commitment

A general commitment to social or environmental responsibility (e.g. to conserve the environment)

A commitment to a specific positive social impact (e.g. poverty alleviation, sustainable economic development)

A commitment to a specific positive environmental impact (e.g. reducing waste sent to landfills through upcycled products)

A commitment to serve a target beneficiary group in need (e.g. low-income customers, smallholder farmers)
