

our mission

We want to put a smile on as many faces as possible, by making accessible glasses that respect the environment and protect your eyes throughout every moment of your life.

our commitments

As a team we set ambitious goals by 2025 and are committed to neutralize our impact on the planet, by measuring and reducing our carbon footprint & make our materials more sustainable.

Since June 2023, IZIPIZI is officially B Corp certified. This worldwide label acknowledges our CSR commitments.
