

Our Corporate Mission:

RESIGHT's mission is to produce significant economic, social, and environmental impact through the redevelopment of our projects. We strive to benefit not only our investors but local communities and the environment.

Our Team:

Our multi-disciplinary team possesses a lifetime of experience and knowledge in legal underwriting and liability, environmental engineering and remediation, project management and environmental insurance and underwriting.

Reduce Uncertainty to Achieve Impact:

- ◇ **Targeted and Focused Expertise.**
RESIGHT specializes in redeveloping former industrial and commercial assets.
- ◇ **Transforms Impaired Property into Productive Assets.**
RESIGHT creates significant value and unlocks an asset's true potential.
- ◇ **Adaptable to Each Property.**
RESIGHT has participated in projects ranging from 1 acre to 9,000 acres across 49 states and 4 countries.
- ◇ **Possesses a Deep Pipeline.**
RESIGHT tracks a variety of opportunities nationwide. The brownfield market consists of approximately 600,000+ properties.
- ◇ **Experts at Identifying and Mitigating Risks.**
RESIGHT consists of a multi-disciplinary team which aids in our ability to identify perceived vs. actual risk and leverage our expertise to drive out-sized results.
- ◇ **Rapid Turnaround.**
RESIGHT has all of its expertise in-house. We are able to quickly act on the assessment of the asset and in the remediation process once we are in control of the asset.
