

B Corp Certification - Disclosure Questionnaire Documentation

Disclosure Questionnaire category: Energy and Emissions Intensive industry

Updated as of: 23/09/2025

Isle of Wight Distillery is involved in the production/sale of products, or is part of an industry that can potentially be classified as energy and emission-intensive, meaning that they are more likely to have significant impacts on the environment based on their carbon emissions associated with their operations and their contribution to climate change. Certified B Corps are required to make transparent their involvement in such activities or industries.
