Disclosure Report

Date Submitted: October 7th, 2024

## Disclosure Materials

Certified B Corporations must complete a Disclosure Questionnaire to identify potentially sensitive issues related to the company (e.g. historical fines, sanctions, material litigation, or sensitive industry practices).

This component does not affect the company's score on the B Impact Assessment. If the company answers affirmatively to any items in the Disclosure Questionnaire that B Lab deems relevant for public stakeholders, then, as a condition of their certification, the company must:

- 1) Be transparent about details of the disclosure issues identified on the company's public B Impact Report
- 2) Describe how the company has addressed this issue
- 3) Demonstrate that management practices are in place to avoid similar issues from arising in the future, when necessary.

In all cases, the Standards Advisory council reserves the right to refuse certification if the company is ultimately deemed not to uphold the spirit and integrity of the community.

In addition to the voluntary indication of sensitive issues in the Disclosure Questionnaire, companies pursuing Certification also are subject to a background check by B Lab staff. Background checks include a review of public records, news sources, and search engines for company names, brands, executives/founders, and other relevant topics.

Sensitive issues identified through background checks may or may not be within the scope of questions in the Disclosure Questionnaire, but undergo the same review process and are subject to the same possible review by the Standards Advisory Council, including ineligibility for B Corp Certification, required remediation, or disclosure.

### B Lab's Public Complaints Process

Any party may submit a complaint about a current B Corp through [B Lab's Public Complaint Process](#). Grounds for complaint include:

- 1) Intentional misrepresentation of practices, policies, and/or claimed outcomes during the company's [certification process](#)
- 2) Breaches of the B Corp Community's core values as expressed in our [Declaration of Interdependence](#)

# Disclosure Questionnaire Statement

## Disclosure Questionnaire Category: Other- Bankruptcy

<b>Issue Date</b>	August 2024
<b>Topic</b>	Voluntary Bankruptcy Protection Proceeding
<b>Summary of Issue</b>	Avon Products, Inc. (API) is a U.S.-based non-operational holding company of the Avon beauty brand which was acquired by the Brazil-based Natura & Co in 2020. On August 12, 2024, Avon Products Inc. announced they had initiated voluntary Chapter 11 proceedings in the U.S. Bankruptcy Court for the District of Delaware in order to address its debt and legacy talc lawsuits related to Avon's discontinued US operations.
<b>Size/Scope of Issue (e.g. \$ financial implication, # of individuals affected)</b>	Only Avon Products Inc. and certain of its US subsidiaries are part of the bankruptcy proceedings. Its non-US operations are not part of these proceedings. The bankruptcy is to address all of Avon Product Inc.'s debt and legacy talc liabilities. Natura & Co has committed up to \$43 million in debtor-in-possession financing that, subject to Court approval, will provide sufficient liquidity to fund Avon's obligations during the bankruptcy process.
<b>Impact on Stakeholders</b>	<p>Avon Products Inc. does not have any business operations in the US, and only its creditors are impacted by these proceedings. The Chapter 11 filing is not expected to impact Avon's operations outside of the United States, which are not part of the proceedings.</p> <p>Companies currently in bankruptcy (or currently under administration or filed for insolvency) are ineligible for B Corp certification. As of the date of this disclosure, neither Avon Products Inc. nor its US subsidiaries are B Corp Certified entities of Natura &amp;Co.</p>
<b>Management Practices</b>	Avon Products Inc. and its US subsidiaries are currently operating independently, even while being financially supported by Natura & Co. Natura & Co has agreed to support Avon's activities throughout the Chapter 11 proceedings via the granting of a debtor-in-possession (DIP) loan and has entered into an agreement to purchase equity interests in Avon's non-US operations through a court-supervised auction process for \$125 million.
