Level of Impact Focus

Describe your company's approach to creating positive impact.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes. Ocreating positive social or environmental impact is not a focus for our business OWe occasionally think about the social and environmental impact of some aspects of our business, but not frequently. We frequently consider our social and environmental impact, but it isn't a high priority in decision-making. We consistently incorporate social and environmental impact into decision-making because we consider it important to the success and profitability of our business. O We treat our social and environmental impact as a primary measure of success for our business and prioritize it even in cases where it may not drive profitability.
