Level of Impact Focus

Describe your company's approach to creating positive impact.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes. Ocreating positive social or environmental impact is not a focus for our business OWe occasionally think about the social and environmental impact of some aspects of our business, but not frequently. We frequently consider our social and environmental impact, but it isn't a high priority in decision-making. O We consistently incorporate social and environmental impact into decision-making because we consider it important to the success and profitability of our business. We treat our social and environmental impact as a primary measure of success for our business and prioritize it even in cases where it may not drive profitability. Environment Impact Area Introduction

OPERATIONS

0.0

This section asks about your environmental footprint to determine which questions are applicable later on in the assessment. It also identifies whether your company's product/service is designed to deliver a specific, material, positive environmental impact, and if so, opens the Environmental Impact Business Model section that is most applicable.

Environmental Business Model

Are your company's products/services or processes structured to restore or preserve the environment in any of the following ways? (Please note: the environmental impact of your day-to-day operations will be assessed in the remaining sections of the Environment Impact Area. This question is specifically asking about your products/services or innovative production processes.)

Answering affirmatively will opt you into additional sections of the B Impact Assessment with more specific questions about this Impact Business Model.

☐ Through an innovative manufacturing, wholesale or agriculture process which is designed to significantly reduce environmental
impact compared to typical practices for the industry
☐ Through a product or service that preserves, conserves, or restores the environment or resources
