Mission & Engagement

Level of Impact Focus

Describe your company's approach to creating positive impact.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes.

○ Creating positive social or environmental impact is not a focus for our business

○ We occasionally think about the social and environmental impact of some aspects of our business, but not frequently.

○ We frequently consider our social and environmental impact, but it isn't a high priority in decision-making.

● We consistently incorporate social and environmental impact into decision-making because we consider it important to the success and profitability of our business.

○ We treat our social and environmental impact as a primary measure of success for our business and prioritize it even in cases where it may not drive profitability.
