

# The only payment processor certified in community giving

Whether you process payments in person or online, Giv Local allows you to donate a portion of your transaction fees. Upgrade to Giv Local and we'll donate 20% of our processing revenue to a local nonprofit of your choosing, generating reliable, recurring donations, at no extra cost.

## Your ally for all things processing

Giv is partnered with the best processing and tech companies... offering you unparalleled support in navigating a complex industry

## Secure solutions for every need

Whether you accept payments online or in-person, we have the solutions and security to fit every need

## Competitive rates, community-focused

Giv Local offers competitive pricing while helping you support a local nonprofit of your choosing, at no extra cost

## Nonprofit Recipients

Hundreds of local and national nonprofits are supported through our community giving program.
