Environmental Product or Service Impact

Is the environmental impact you've described part of your products' or services' impact (excluding packaging), or is it a part of the way that your company operates?

Companies should earn revenue from the product or service that has an environmental impact. Please do not include pro bono efforts within this section.

• The impact is created by a revenue-generating product/service line (e.g. selling non-toxic cleaning products, sustainability consultancy)

The impact is created by the company's daily operations (e.g. using non-toxic cleaning products in the company's headquarters) and not the core product/service

Points Available: 0.00

Environmental Product Benefits

In what way or ways does your product/service conserve the environment?

riease select one option per product line. You may select an additional option if your product line has two separate environmental
attributes.
Provides or is powered by renewable energy or cleaner-burning energy than market alternatives (e.g. solar panel
manufacturers/installers, hybrid vehicles)
Conserves or diverts resources (including energy, water, materials, etc.)
Conserves or preserves the well-being of land and/or animals (e.g. land protection or reforestation services, sustainably harvested
agricultural products)
✓ Reduces or is made of less toxic/hazardous substances (e.g. brownfield remediation services, organic certified food, non-toxic cleaners)
Educates, measures, researches, or provides information to solve environmental problems (e.g. environmental consulting or
auditing)

Level of Impact Focus

Select the description that best describes your business.

This is an unweighted question that will not impact your score and is asked only for research/benchmarking purposes.

Positive social/environmental impact is desirable but not a particular focus for our business.

Social and environmental impact is frequently considered but it isn't a high priority.

We consider social and environmental impact in some aspects of our business but infrequently.

We consistently incorporate social and environmental impact into decision-making because we consider it important to the success and profitability of our business.

We treat our social/environmental impact as a primary measure of success for our business and prioritize it even in cases where it may not drive profitability.
