Disclosure Report

Date Submitted: August 20th, 2024

Disclosure Materials

Certified B Corporations must complete a Disclosure Questionnaire to identify potentially sensitive issues related to the company (e.g. historical fines, sanctions, material litigation, or sensitive industry practices).

This component does not affect the company's score on the B Impact Assessment. If the company answers affirmatively to any items in the Disclosure Questionnaire that B Lab deems relevant for public stakeholders, then, as a condition of their certification, the company must:

- 1) Be transparent about details of the disclosure issues identified on the company's public B Impact Report
- 2) Describe how the company has addressed this issue
- 3) Demonstrate that management practices are in place to avoid similar issues from arising in the future, when necessary.

In all cases, the Standards Advisory council reserves the right to refuse certification if the company is ultimately deemed not to uphold the spirit and integrity of the community.

In addition to the voluntary indication of sensitive issues in the Disclosure Questionnaire, companies pursuing Certification also are subject to a background check by B Lab staff. Background checks include a review of public records, news sources, and search engines for company names, brands, executives/founders, and other relevant topics.

Sensitive issues identified through background checks may or may not be within the scope of questions in the Disclosure Questionnaire, but undergo the same review process and are subject to the same possible review by the Standards Advisory Council, including ineligibility for B Corp Certification, required remediation, or disclosure.

B Lab's Public Complaints Process

Any party may submit a complaint about a current B Corp through [B Lab's Public Complaint Process](#). Grounds for complaint include:

- 1) Intentional misrepresentation of practices, policies, and/or claimed outcomes during the company's [certification process](#)
- 2) Breaches of the B Corp Community's core values as expressed in our [Declaration of Interdependence](#)

This document contains a copy of the company's completed Disclosure Questionnaire and related disclosure documentation provided by the company.

Disclosure Questionnaire Statement

Disclosure Questionnaire Category: Firearms & Weapons

Topic	Sale of Airsoft Guns
Summary of Issue	Private Sports Shop sells airsoft guns which use compressed air to shoot biodegradable and plastic pellets. These products are intended to be used for sport only. Currently, the company only sells airsoft pistols recognized as categories 1 and 2 in France.
Size/Scope of Issue (e.g. \$ financial implication, # of individuals affected)	The airsoft gun sales represented approximately 0.39% of the company's revenue during their last Fiscal Year.
Impact on Stakeholders	Use of the product outside of its intended use may lead to injury of an individual.
Implemented Management Practices	<p>Local laws set the minimum age to purchase this product at 18 years of age. Minors above the age of 9 may own this product with approval from their guardian and with a valid license from an approved sports federation.</p> <p>In addition, sites stating air guns with a power of 0,09 to 2 joules, can only be bought by 18 and above; the company is also working on an IT development to have a window popping up asking customers to certify they are 18 when they want to purchase such air guns.</p>

Disclosure Questionnaire Statement

Disclosure Questionnaire Category: Animal Products and Services

Private Sport Shop is involved in the production or sale of animal products and services, meaning that they are more likely to have significant impacts on the environment and animal welfare. Certified B Corps are required to make transparent their involvement in such industries.

Disclosure Questionnaire Statement

Disclosure Questionnaire Category: Recalls

Private Sport Shop reported conducting one voluntary recall in the past five years, representing 0.23% of the company's revenue generated from sale of products for the same period. When a product is recalled, various stakeholders such as customers, suppliers, investors, commercial partners, and local communities may face negative impacts, including health and safety risks, financial losses, loss of trust, damage to credibility, and other inconveniences. Certified B Corps must make their recalls transparent under their B Corp Profile.
