**FOR EVERY ONEGREENBOTTLE SOLD, WE  
CONTRIBUTE TO EXTRACT 50 PLASTIC BOTTLES  
FROM THE ENVIRONMENT.  
WE ARE OCEAN STEWARDS. CERTIFIED B CORP.**

Together we have saved billions of single use plastic bottles from the ocean.

We are making caps from ocean plastic and bottles from recycled stainless steel. For every bottle sold we reclaim 50 plastic bottles from the ocean

## **RESPONSIBLE**

Recycled stainless steel & OCEAN SOURCED recycled polypropylene  
SEDEX and BSCI manufacturing  
Shipped responsibly  
Zero plastic supply chain

## **CERTIFIED SAFE**

BPA/BPS & phthalate free  
Lead and toxin free

# ***PROUD TO SUPPLY TEAM GB***

onegreenbottle are the official suppliers of water bottles at the Paris 2024 Olympics and Paralympics. We also supplied Tokyo, Rio and Winter Olympics in Beijing.

Testimonial from the British Olympic Committee

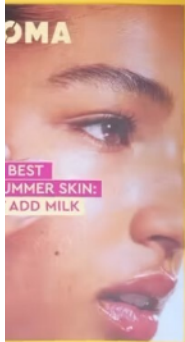

"The heat of the Tokyo 2020 Olympic Games presented Team GB with a specific challenge to provide an insulated water bottle that kept drinks cold for athletes in the hot and humid climate. onegreenbottle supplied Team GB with a branded stainless steel bottle with a sports cap which performed well under these intense conditions and undoubtedly helped give Team GB a performance advantage" British Olympic Committee 2020

***THIS IS SPORT!  
WE HAVE BEEN PRODUCING  
OUR BOTTLES WITH SPORTS  
CAPS SINCE 2006. FAST  
HYDRATION, LEAK-PROOF  
AND RELIABLE.***

# COBRAND

Working with leading brands

We may have mentioned, once or twice, that onegreenbottle have supplied the Olympic and Paralympic bottles.....we have also supplied many other companies with bottles. Contact us to see what we can offer or checkout our cobrand pages to see what print technologies we work with.

Contemporary insulated stainless steel bottles

Thermal insulated metal bottles with a wider neck and available with sports caps and straws. Keep your drink cold for upto 24hrs or hot upto 12hrs. A unique patented design for style and substance.
