Next Steps

The Logistics Industry is Full of Challenges

It's easy to feel taken advantage of and **hard to know who to trust.**

The **pandemic** has disrupted both supply and demand.

Costs are unpredictable and depend on the global economy.

The shipping process has poor **visibility.**

Most organizations are still relying on **traditional routes and methods.**

Customer service is **non-existent.**

Let us handle your
toughest challenges.

Let us manage
one piece of
the puzzle, or
the entire A to
Z process.

Whether this is your
first shipment or your
4,000th, we walk with
you every step of the
way.

Project 44

A single view of your logistics network.

The industry is complicated, but your relationship with us doesn't have to be.

We apply an entrepreneurial mindset, out-of-the-box thinking, and a relentless focus on customer service to refining the supply chain process.

When you work with Vector, you have access to:

A US minority owned and certified company, which could entitle you to certain benefits.

10+ years of experience in strategy consulting with The Boston Consulting Group.

One project manager and point of contact for streamlined communication.

Our network of more than 150 agents around the world for trusted global service.

A multi-cultural team with international backgrounds and mindset for maximum creativity.

Paper Mill Plant from the US to the Middle East

Challenges/Obstacles

We coordinated and oversaw every step of the move of a paper plant from Snowflake, AZ, to Saudi Arabia. Vector's highly trained operations team worked with different suppliers to guarantee timely delivery as well as to minimize the project's overall costs.

Resolution

After more than 30 containers, three months of planning, and almost 45 days of execution, we were able to load and ship all the different parts, resulting in a successful delivery.

Delivering Disaster Relief Support to Spain's Firefighters

Challenges/Obstacles

Transporting helicopters from Chile to Spain for time-sensitive disaster relief, requiring:

- **Delicate Cargo:** Specialized packing and reassembly for operational integrity.
- **Tight Deadline:** Delivery before summer heat wave & increased fire risk.
- **Building Trust:** Overcoming past negative experiences through communication.

Resolution

- **Meticulous Planning:** Disassembly, packing, and sea transport meeting deadlines.
- **Transparent Communication:** Building trust and smooth coordination.
- **On-time Delivery:** Helicopters arrived ready for immediate deployment enabling vital firefighting support.

Expertise in Handling Oversized and Complex Cargo Shipments to Rwanda

Challenges/Obstacles

The U.S. Forest Service International Programs Office faced major logistics challenges in shipping a prefabricated oversized classroom to a remote location in Rwanda, East Africa.

Resolution

Vector's team expertise ensured a tailored logistics solution, navigating complex transportation needs, secured safe transit for the oversized classroom, and met critical deadlines with seamless warehousing coordination.

We Share Your Values

Expect more from your logistics partner. We work hard not just to earn your business, but earn your trust.

Logistics With Purpose®

We are committed to making a positive impact in the world.

Results-Based Culture

We strive to delight our clients by treating their business like our own.

Passionate About People

We want to improve people's lives through long-term relationships.

You can also feel good knowing
when you work with us, you are making a
difference.

For every container we move, a portion of the proceeds goes back to helping those in need. These are just three of the non-profits chosen by our team.

Vector US partners with **SERV**, which builds connections with communities in Kenya and the Dominican Republic by serving nutrient-rich meals to millions of people.

Vector Mexico partners with **Imagina**, which aims to respond to the problems experienced by families with a child with cancer in Mexico.

Vector Chile partners with **Coanil**, a national foundation that promotes the development and inclusion of children with special needs.
