

B Corp Certification - Disclosure Questionnaire Documentation

Disclosure Questionnaire category: Water Intensive industry

Updated as of: 23/09/2025

Isle of Wight Distillery is involved in the production/sale of products, or is part of an industry that can potentially be classified as water intensive, meaning that they are more likely to have significant impacts on the environment, such as water stress or depletion of local water sources if water use is not appropriately managed. Certified B Corps are required to make transparent their involvement in such activities or industries.
