

Score Aggregation Methodology

Kwong Lung Enterprise 2024

As the B Corporation Certification is a company-level certification, the assessment of a Parent Company is required to include its subsidiaries in which it owns >50% of the shares and has a controlling interest. Depending on the operations of the certifying company, Parent Companies may roll up their subsidiaries into a single assessment or assess separately.

Regardless of whether a Certified Parent Company's subsidiaries are assessed together or separately, only distinct subsidiaries that B Lab has determined independently meet the performance requirement for certification (i.e. score of 80+ points) are eligible to use the Certified B Corporation logo and refer to themselves as Certified B Corporations.

Aggregated Scoring Methodology

Kong Lung Enterprise Co Ltd and its subsidiaries were required to be assessed in the B Impact Assessment and undergo a review by B Lab staff. The entities were divided into 2 assessments, and the overall score was calculated using a weighted average based on HEADCOUNT.

The assessments are as follows:

1. Kwong Lung Enterprise Co Ltd
2. Kwong Lung Manufacture (KLE Subsidiaries)

Based on the weighted average, Kwong Lung Enterprise scored an overall 80.2 out of 200 total available points. The minimum verified score required for B Corp Certification is 80.

The table below shows the scores for the individual assessments:

Legal entity/Company name	BIA Score
Kwong Lung Enterprise Co Ltd	78,8
Kwong Lung Manufacture (KLE Subsidiaries)	80.2

Brands

Brands that are not distinct operating subsidiaries included in the Parent Company's certification are not Certified B Corporations themselves but may use the Certified B Corporation logo if B Lab has determined they have independently met the performance requirement for certification. Otherwise, the Certified B Corporation logo shall only be used in reference to the brand as part of the Parent Company's certification.

No individual brands have met the performance standards for certification (i.e. score of 80+ points) independently and are thus not allowed to use the B Corp IP independently. They can, however, state that “X Brand is owned by Kwong Lung Enterprise, a Certified B Corp”.
