**Laureate Education Inc.'s
2017 Full B Impact Assessment Summary
& Aggregated Scoring Methodology**

Aggregated Scoring Methodology

All of Laureate's institutions were required to complete a B Impact Assessment, including the Higher Education Addendum, and reviewed by B Lab staff. Laureate's 70 institutions and global headquarters rolled up into 49 Assessments. The overall score for Laureate Education was then calculated using a revenue-based weighted average.

Laureate scored an overall 104 out of a 200 total available points. The minimum verified score required for B Corp Certification is 80.

Learn more about the [B Impact Assessment](#) and [Higher Education Addendum](#).

Transparency Requirement for Public Companies

Laureate Education, Inc. is a public company. A public company that is a Certified B Corporation is required to make transparent its answers to each question on the B Impact Assessment.

Answers to each question on Laureate Education's B Impact Assessment, including the Higher Education Addendum, is made transparent in the accompanying spreadsheet -- Laureate Education's Full B Impact Assessment Detail.

Overall B Impact Scores for Individual Laureate Institutions

In light of the aggregated scoring methodology described above, Laureate Education has gone beyond the transparency requirement for public companies and also made transparent the Overall B Impact Scores of each Laureate institution which were used by B Lab to determine the Overall B Impact Score for Laureate Education Inc. These Overall Scores for Individual Laureate Institutions are listed below.
