**Virtual Office Stewardship** Points Earned: 0 of 1.10345

Which of the following are true of how your company encourages good environmental stewardship in how employees manage their virtual offices?

- There is a written policy encouraging environmentally preferred products and practices in employee virtual offices (recycling, etc.)
- Company shares resources with employees regarding environmental stewardship in home offices (i.e. energy efficiency, recycling, etc.)
- Policy in place for the safe disposal of e-waste and other hazardous materials purchased for employee home offices.
- Employees are provided with a list of environmentally preferred vendors for office supplies
- None of the above
- N/A

---

**Environmental Purchasing Policy Topics** Points Earned: 0 of 0.55172

Does the company have a written and circulated environmentally preferable purchasing (EPP) policy that includes any of the following?

- Building and construction
- Carpets
- Cleaning
- Electronics
- Fleets
- Food or food services
- Landscaping
- Meetings and conferences
- Office supplies
- Paper
- Product input materials
- Other (please describe)
- N/A - No environmentally preferable purchasing policy

**Reducing Impact of Travel/Commuting** Points Earned: 0.41379 of 0.55172

Does your company have any programs or policies in place to reduce the environmental footprint caused by travel/commuting?

- Employees are subsidized/incentivized for use of public transportation, carpooling, or biking to work

## Environmental Models Introduction

### Environmental Business Model Points Earned: 0 of 0.00000

Are your company's products or process structured to restore or preserve the environment in any of the following ways?

The answer to this question affects questions you'll encounter further on in your assessment.

- Through a manufacturing, wholesale or agriculture process which is designed to significantly reduce environmental impact compared to typical practices for the industry
- Through a product or service that preserves, conserves, or restores the environment or resources
- None of the above

---

## Environment Products & Services Introduction

### Environmental Product Benefits Points Earned: 0 of 0.00000

In what way or ways does your product/service conserve the environment?

Please select ONE option per product line. You may select an additional option if your product line has two separate environmental attribute. The answer to this question affects questions you'll encounter further on in your assessment.

- Provides or is powered by renewable energy or cleaner-burning energy than market alternatives (e.g. solar panel manufacturers/installers, hybrid vehicles)
- Conserves or diverts resources (including energy, water, materials, etc.)
- Conserves or preserves the well-being of land and/or animals (e.g. land protection or reforestation services, sustainably harvested agricultural products)
- Reduces or is made of less toxic/hazardous substances (e.g. brownfield remediation services, organic food, non-toxic cleaners)
- Educates, measures, researches, or provides information to solve environmental problems (e.g. environmental consulting auditing)
- None of the above

---

## Environmental Product/Service Certifications Points Earned: of 0.00000

How would you describe the positive environmental outcome produced for the environment by your product/service? If you have environmental product certifications, please list them here.

To meet the definition of a qualified third-party certification, the certification must be independently verified, be standards-based, and have those standards be transparent.

*We achieve BPI (Biodegradable Products Institute) certification and USDA BioPreferred certification for the vast majority of our GreenStripe products.*

---

## Resource Conservation

**Resource Conservation Overview** Points Earned: of 0.00000

Tell us more about how your product or service reduces energy, water and/or waste.

*Our products allow our customers to divert food waste from the landfill thus reducing a large component of the waste stream for an average restaurant, cafeteria, or venue.*

---

**Resource Conservation Description** Points Earned: 0 of 0.00000

Which of the following most accurately describes the method in which your product or service conserves or diverts resources?

The answer to this question affects questions you'll encounter further on in your assessment.

- Product or service uses resources more efficiently than market alternatives (e.g. EnergyStar/energy-efficient appliances; low-flow shower heads)
  - Product/services use recycled, used, or compostable input materials (e.g. recycled paper; used furniture; compostable ba
  - Product/service is designed to share resources efficiently in order to minimize overall resource consumption
  - Product/service creates systems for resource conservation (e.g. recycling programs; composting services, energy/water assessment software; water recycling systems)
  - These descriptions do not apply to our company's product/service (Skip the remainder of this section)

**% Water Reduction** Points Earned: of 0.00000

What is the average % water reduction achieved by the product or service?

---

**Tons of Carbon Offset** Points Earned: of 0.00000

If tracked, what was the total or per use number of metric tons of carbon (CO2) off-set or saved by use of your product or service during the last 12 months? Also, provide any of the following, if tracked:

Metric tons of CO2 saved/off-set

---

**kWh Generated** Points Earned: of 0.00000

If tracked, what was the total or per use number of metric tons of carbon (CO2) off-set or saved by use of your product or service during the last 12 months? Also, provide any of the following, if tracked:

kWh generated with cleaner alternative

---

**Water Saved** Points Earned: of 0.00000

If tracked, what was the total or per use number of metric tons of carbon (CO2) off-set or saved by use of your product or service during the last 12 months? Also, provide any of the following, if tracked:

Liters of water saved/off-set

---

**Waste Diverted** Points Earned: of 0.00000

If tracked, what was the total or per use number of metric tons of carbon (CO2) off-set or saved by use of your product or service during the last 12 months? Also, provide any of the following, if tracked:

Metric tons of waste saved from landfill or incineration

---

**Revenue from Resource Conservation** Points Earned: 0 of 0.00000

What were your total revenues last fiscal year from the previous products or services?

The answer to this question affects questions you'll encounter further on in your assessment.

---

**Verification of Resource Conservation** Points Earned: 1.11111 of 1.11111

How do you verify that your product contributes to the outcome previously selected?

Please select all that apply.

- We have a track record of successful, verified positive outcomes and have created case studies based on these.
- There is secondary research that supports the link between our type of product and the stated outcome.
- We conduct our own direct research to track the outcomes produced for all our customers, such as impact-related survey
- We have third party certifications or verifications that verify the efficacy of our product/service in delivering outcomes
- We have performed, commissioned, or partnered with scientifically designed impact or outcome assessments to systematically learn about our product's impact
- Our product is too early stage to have research or studies that link our product to positive outcomes
- We cannot provide verification of our outcomes at this time.

**Efficacy of Resource Conservation** Points Earned: 1.11111 of 1.11111

If direct research on your product/service has been performed, did the results confirm that a desired outcome is being achieved?

- Yes
- No
- N/A - No direct research conducted

**Negative Impact Management** Points Earned: 1.11111 of 1.11111

Does your company also measure and manage the negative or unintended outcomes generated by this business model?

- Yes
- No

**Innovative Resource Conservation** Points Earned: of 0.00000

Is there something different or innovative about the product/service that has changed the industry? Is this something that is replicable, unique at the time that it was created, and that has been emulated by other organizations?

**Impact on Underserved Populations** Points Earned: 0 of 0.00000

Does your product/service benefit underserved populations, either directly or by supporting organizations that directly serve them?

- Yes
- No

**Underserved Beneficiaries Overview** Points Earned: of 0.00000

Describe the beneficiaries or end-users of your products or services and how you characterize them as underserved.

*Many non-profits and schools that use our products to divert resources from the landfill and educate underserved populations and children on Zero Waste in action!*

**Underserved Beneficiary Types** Points Available: 0.00000

If your beneficiaries are underserved individuals, which of the following underserved populations do they belong to? If you serve organizations that serve the underserved, which of the following populations are your client's beneficiaries?

Select the option that most accurately reflects the majority of underserved beneficiaries. The answer to this question affects questions you'll encounter further on in your assessment.

- Low income, poor, or very poor
- Other populations underserved in your product/service category, which can include minorities, veterans, disabled individuals
- Individuals who are not underserved in your product/service category (do not continue)

**Impact on Underserved Populations Description** Points Earned: 0 of 0.00000

Which of the following best describes how your product/service benefits underserved populations previously described?

The answer to this question affects questions you'll encounter further on in your assessment.

- My product/service helps the financial viability of purpose-driven enterprises, which in turn allows them to continue to serve their underserved target population (ex. marketing or accounting services for a social service agency)
- My product/service directly helps purpose driven enterprises improve positive impact for their underserved beneficiaries, but is not designed specifically for that underserved population (e.g. teaching curriculum sold to low income schools)
- My product/service directly helps purpose driven enterprises improve positive impact for their underserved beneficiaries, and is specifically designed to benefit that underserved population (e.g. teacher training/curriculum specifically designed to address challenges of teaching low income students)
- My product/service is directly used by the previous underserved populations (e.g. products marketed to or designed for the underserved)
