

Empowering Maritime Excellence

About Us

Founded in 2009, **Shipping Protection** stands at the forefront of maritime agency services with a reputation for precise, reliable, and innovative solutions bespoke for the global shipping sector. Backed by strategically located offices in Brazil, Panama, Colombia and India with dedicated in-house teams, and a network of representations across the world, **Shipping Protection** streamlines port and vessel operations. The company upholds a steadfast commitment to corporate responsibility and sustainability, demonstrated through its role as a signatory of the United Nations Global Compact and its implementation of concrete ESG initiatives throughout operations. With a comprehensive suite of agency services, **Shipping Protection** creates value for shipowners, charterers, and operators alike, empowering stakeholders to navigate operations seamlessly while contributing to a more sustainable maritime future.

Service Overview

COMPREHENSIVE MARITIME SERVICES TAILORED FOR YOU

At **Shipping Protection**, we provide a wide range of specialized services designed to streamline port and vessel operations, always delivered with professionalism, efficiency, and care. Rely on our expertise to manage your maritime requirements with precision and trust.

Our Core Services

Consignee Agent

Your Strategic Port Representation

We act as an extension of your team, representing charterers and owners with a commitment to ensuring port calls are not just smooth, but masterly optimized. With profound local expertise, we guarantee your interests are protected, and your operations maximize efficiency, minimizing costs and expediting vessel turnaround time, backed by full transparency and the highest standards.

Husbandry Services

Comprehensive Care for Your Crew and Operations

We coordinate all husbandry needs with an unparalleled combination of efficiency and genuine care. From crew changes and essential medical assistance to inspections, secure Cash to Master (CTM) delivery, agile spare parts clearance, ship repair assistance, workshop arrangements, parcel reception and delivery, and rapid emergency response. We prioritize crew well-being, the adoption of fair practices, and unwavering safety at every step.

Protective Agent

Vigilant and Unwavering Oversight

In our role as Protective Agent, we offer strategic and attentive oversight to safeguard your vital interests during every port call. We meticulously supervise operations, conduct rigorous audits of Proforma Disbursement Account (PDA), and continuously monitor the performance of the consignee agent. Our approach seamlessly integrates superior cost efficiency with unquestionable operational integrity and a deep environmental responsibility, ensuring sustainable value and peace of mind for all stakeholders.

Bunkering Agent

Transparent, Compliant, and Sustainable Solutions

Experience a fluid and responsible bunkering process with our specialized services. We meticulously manage all pre-arrival formalities, precisely coordinate liaisons with bunker suppliers, surveyors, and port authorities, and diligently oversee the entire bunkering process. By promoting best practices in compliance, safety, and environmental care, we deliver transparent, ethical, and sustainable bunkering solutions that consistently meet and exceed global sustainability demands.

Corporate Social Responsibility and ESG Initiatives

ESTABLISHED IN EXCELLENCE, COMMITTED TO THE FUTURE
PIONEERING SUSTAINABLE PRACTICES IN SHIPPING AGENCY SERVICES

At **Shipping Protection**, sustainability transcends mere rhetoric — it is the cornerstone of our operations and a powerful catalyst for tangible actions. Our robust Corporate Social Responsibility (CSR) and rooted governance principles are intrinsically woven into every decision, ensuring we deliver genuine and measurable impact for all.

We are profoundly committed to fostering an inclusive, equitable, and regenerative economic system that champions both people and the planet. Through diligent resource management, unparalleled transparency, and proactive ESG initiatives, we consistently generate enduring value for our stakeholders and the communities we serve.

As proud signatories of the United Nations Global Compact since 2024, we voluntarily align our management and operations with its foundational principles across Human Rights, Labour, Environment, and Anti-Corruption. This unwavering commitment actively propels our contribution to the UN 2030 Agenda and its Sustainable Development Goals, reinforcing our pivotal role in shaping a truly sustainable and responsible maritime future.
