

GRANNY SQUIBB'S®

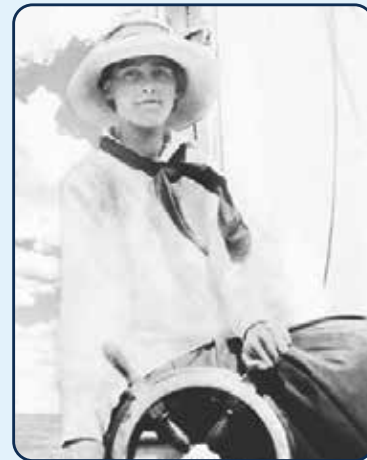

A RHODE ISLAND ORIGINAL

A LIFE WELL LIVED

The Granny Squibb Company makes iced tea that tastes just as delicious and freshly made as the lemon mint tea my grandmother, Sally Squibb, served years ago (No wonder. We still use the same few and familiar ingredients!). Always ahead of her time, Granny began serving her icy cold tea in the 1930s, when drinking tea cold was still a novelty. Her “astonishingly delicious” lemon mint tea was an instant hit. I’m sure Granny would be honored to share a glass with you.

Proud Granddaughter & Founder,

Robin Squibb

SALLY SQUIBB

TO YOUR HEALTH!

Our iced teas are perfect for people seeking a refreshing, healthier alternative to carbonated drinks without sacrificing great taste. Our teas are certified USDA organic, non-GMO, gluten-free, kosher, & vegan friendly. They contain no artificial sweeteners, flavors, sodium or preservatives. Just the way Granny made hers!

SWEETENED OR UNSWEETENED

All of our flavors are offered both sweetened & unsweetened. Our sweetened iced teas are made with organic cane sugar, and their unsweetened counterparts contain zero calories and are still astonishingly delicious.

TO OUR COMMUNITY!

As proud Rhode Islanders, we believe in supporting and giving back to our community.

CHARLIE'S CRANBERRY

We are happy to announce that a portion of the proceeds from our Charlie's Cranberry flavor goes to support Save The Bay, an organization which works tirelessly to ensure the health of Narragansett Bay.

PORTER'S PEACH

At the age of 10, in response to the passing of a close family friend, our friend Porter started his own business to raise money for cancer research. His Compassion & Social Entrepreneurial Spirit inspired us to bring his other idea (see photo on right) of Porter's Peach, to life, with a portion of proceeds going to support Dana-Farber Cancer Institute.
