

# TWIYO Capital & Advisory

Positive change venture capital & corporate advisory firm for early stage businesses.

## Virtual CFO

Proven finance partnership model for early stage companies of up to \$15M revenues. Flexible & cost effective.

## Capital Raise Advisory

Help businesses get investment-ready. We prepare, structure and guide seed capital raises.

**The World Is Your Oyster.**

## Why us?

With a broad range of bespoke services uniquely designed for start-ups and scale-ups, we sit at the intersection of *capital* and *advisory*.

### Integrity

We treat your business as our own and seek to do right by everyone.

### Proficiency

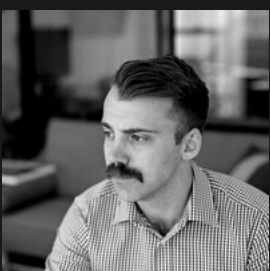

We know our strengths and bring our network to the table.

### Bravery

We embrace challenges and thrive in uncharted territories.

### Curiosity

We learn from and with you. We are teachers and forever students.
