HONORING MAVERICK GRADUATES DURING VIRTUAL CELEBRATION ON MAY 22

The Maverick community is invited to join us in honoring our graduates during a virtual celebration on May 22. This special event will highlight the outstanding achievements of our Class of 2020.

PRINCE'S ANNOUNCEMENT

What's ahead? Check out this month's Prince's Update newsletter to find out about upcoming events, important information, and updates from the College. Stay tuned for more updates!

U.S. Webinar Series

New dates and times for the U.S. Webinar Series on Preventive Health and Wellbeing have been announced. These webinars cover various topics related to health and wellness and are open to all students and faculty.

Message from the Interim ADean

The Interim ADean, Dr. Mark Smith, is thrilled to announce the launch of the new online resource for students and faculty. This site provides valuable information and resources to support the Maverick community during this challenging time.

Faculty Affairs

Announcement of New Tenure Track Faculty

The College is pleased to announce the appointment of new tenure track faculty. These faculty members bring a wealth of knowledge and expertise to the College, and we look forward to their contributions to our community.

Undergraduate Education

Applications for Fall Fellowships Due June 1

As a reminder, applications for Fall Fellowships are due on June 1. These fellowships provide opportunities for students to engage in research and other scholarly activities.

Graduate Education

Comprehensive Exams for Spring 2020 Survived Students

The Graduate Education department has announced the dates for the comprehensive exams for survived students of the Spring 2020 semester. Please contact your advisor for more information.

COVID-19 Study and Work

Graduate and Doctoral Fellows in Public Health (GDPHP) webinar series

The GDPHP has launched a webinar series to provide updates and resources on COVID-19 research and practice. These webinars are open to all graduate and doctoral fellows and are held on a monthly basis.

Opportunities for Maverick Fellows

The Maverick Foundation has announced new funding opportunities for Maverick Fellows. These opportunities include grants for research projects and fellowships for students.
