*To qualify for the lowest rate, applicant must have a responsible credit history.

A loan example: A \$3,000 loan with a finance charge of \$267.02, an amount financed of \$2,925, repayable in 26 bi-weekly installments, and an interest rate of 12.6% would have an APR of 17.84% and bi-weekly installments of \$122.77.
