

## DEFINE YOUR GOALS

| Life area     | Write one goal for each area of your life. | What is the purpose of the goal? | Why is it important? | What does a success look like? |
|---------------|--|----------------------------------|----------------------|--------------------------------|
| Personal      |  |                                  |                      |                                |
| Spiritual     |  |                                  |                      |                                |
| Professional  |  |                                  |                      |                                |
| Physical      |  |                                  |                      |                                |
| Financial     |  |                                  |                      |                                |
| Relationships |  |                                  |                      |                                |
