

BMW i DC Fast Charger

Electric Vehicle Charging Station

BOSCH
Invented for life

BMW i DC Fast Charger Benefits.

- ▶ Charges the BMW i3 to 80 percent in approximately 30 minutes.
- ▶ Easy to use, with a ChargeNow or ChargePoint access card: simply plug and charge.
- ▶ Offers BMW i branding, compact size and weight, and substantial savings as compared to other 24kW output DC Fast Chargers.
- ▶ Flexible installation for either wall or pedestal¹ mounting.
- ▶ IP54 enclosure for optimal indoor or outdoor use.
- ▶ Connector dock for convenient cable storage.
- ▶ Compatible with the ChargePoint network of public charging stations.
