Dear Friend,

Cobra BMX is the only sanctioned destination in Central Ohio for athletes to compete in the Olympic sport of Bicycle Moto-Cross (BMX). We have operated continuously in The City of Columbus' Heer Park since 1988 as a 501 c3 nonprofit organization. As we plan our 2016 season we are reaching out to the community for help in restoring the title of 'BMX Town USA' to Columbus, Ohio. Please be a part of our organization's efforts and possibly create an Olympic athlete from our hometown.

2016 will be an exciting year for Cobra BMX featuring numerous marquis events and memories made. Our race schedule for 2016 incorporates a Cobra BMX Track Championship Series, an Ohio State Championship qualifying race, our 5<sup>th</sup> Annual Night Race and several other unique events. We will also continue to upgrade the park and track after completing a full rebuild in 2015. Partners like you make it possible for our volunteer staff to provide this unique sports facility to our city.

Unlike many traditional sports BMX encourages participation from all ages and is truly a family sport. From balance bike (small bikes without pedals) participants as young as 2 years old to cruiser gates full of moms or dads, sometimes even grandma or grandpa get in on the action – *There is no bench in BMX*. Please help support our organization's effort to offer and expand the sport in Columbus in 2016.

Cobra BMX is very proud to be 100% volunteer operated. This organization is committed to providing our community with a challenging, safe, family oriented alternative to traditional stick and ball sports. All donations are tax deductible and will be utilized responsibly in accordance to our mission statement. Please see the additional pages for an expanded explanation of our events and ways to sponsor Cobra BMX.

Thank You and Ride On,

Chad Clarridge
