

OMX Member,

In an effort to raise funds to maintain and improve the Oak Mountain BMX track, the OMX board has put together a sponsorship program. This program will give individuals, businesses, and other organizations the opportunity to make a financial contribution to OMX. In return, OMX will recognize the sponsors by the terms outlined in the sponsorship package.

All funds raised through the sponsorship program will go directly to OMX. Although it will not be mandated that members acquire sponsors, OMX is encouraging every member to participate and will appreciate all the help it can get. In an effort to show its appreciation, OMX would like to extend the following rewards to any OMX member that acquires a sponsor for the track. The earned rewards will be dependent on the total dollar amount of sponsorship funds attained during the calendar year.

- \$400 or more
 - Fly Racing Neat Freak Back Pack (\$60)
- \$800 or more
 - Fly Racing Neat Freak Back Pack (\$60)
 - Feedback Rakk Bike Stand (\$40)

OMX would like to thank in advance all members that are willing to help out. Remember, the best reward will be the improvements that can be made to the track with the additional funds. Please contact an OMX board member or stay tuned to the OMX Facebook page for more information about the sponsorship program

With Appreciation,

OMX Board
