BETHEL SUPERCROSS BMX has held BMX races for 38 years and is located in Mitchell Park on Old Hawleyville Road in Bethel, CT. Bethel Supercross BMX, Inc. is sanctioned by USA BMX and operates as a 501(c)(3) Non-Profit Corporation.

Our track is run and staffed entirely by volunteers. Without the support of all of the volunteers, parents and local businesses, as well as the Town of Bethel, the track would not function as smoothly as it does.

New volunteers are always welcome!

We need a lot of volunteers - and those with different skillsets and contacts are vital to helping improve and maintain the track, assist during races, and promote BMX racing throughout the area. Your unique abilities can be put to use right away— and the reward to you will be the satisfaction of knowing that you are making it possible for children in our area to enjoy a great family sport.

For more information call Don Olson at 203-744-7962.

RIDER OF THE YEAR

DAVID FERNANDEZ

David Fernandez is a rising star at Bethel Supercross. After turning expert in 2020, David remained undefeated, winning every race held at the track. David was not only our Top Expert for 2020, but his dominance against many large motos of riders earned him the Rider of the Year title.

The Rider of the Year earns the highest total points in 2020 and will receive free racing and license renewal at Bethel Supercross for the 2021 season.

CT State Championship Series

How to earn a CT State Plate!

Two Easy Steps:

1. **Compete in 3 of the 4 State Championship Qualifier races** during the 2021 season (each of the four CT BMX tracks will hold one qualifier race, including Bethel Supercross).
2. **Compete in the 2021 State Championship Final** which is likely to be held at Bethel Supercross BMX in September.

State Plates are awarded right after the State Championship Final. Riders can run state plates on their bike for the entire next year (instead of their assigned district number). State #1's also earn a State Champion backpack.

MONDAY NIGHT GATE PRACTICE AND WORK NIGHTS

Thank you to parents and riders who helped our new members to learn their skills in order to be ready for their Wednesday night competition. Your participation in this vital part of our program is very important and much appreciated.

Track maintenance and grooming goes on during practice. Thank you to all who came out to help.

Bethel Supercross staff are always present to do paperwork, inspect bikes, open the snack bar, and explain anything you don't understand. A fee of \$5 is charged to pay for practice insurance.

Thanks to: Tom Assheton, Dan Bishop, Gail Clark, Don & Kathy Olson, Misha, Michele Marucci, Phil & Melissa Adams, Donnie Olson, Stephanie Langyel, Kat Buyers & Rich Cuculo, Dustin Conley, Jeff Sperrazza, Jeff McKenna, and Shane Hayes.

CORNER MARSHALLS

It always seems like this is the volunteer spot that is the last for us to fill on race night. Donnie does a great job of asking "Would you like to work to-night?"

Some do the same corner each week and some fill in when needed. We appreciate your time and enthusiasm and hope you can sign up for next season's Officials Training in April. Every position has its rules and explanations for why it is done a certain way.
