SUPPORT

MARYSVILLE BMX

For just $200 per year, your tax-deductible donation will make a major impact on the sport of BMX in Marysville. The funds help to reduce your sponsored rider's costs and contribute to track maintenance and upkeep. You'll get a 24" x 18" sign promoting your business at the track.

Marysville BMX

OUR PROGRAM

We offer 2 programs for BMX racing: BMX racing league and open racing.

BMX Racing league is a fun and instructional activity for beginning riders 4-15 years old. Riders will enjoy six sessions of instruction and racing. $149 tuition includes jersey, number plate, loaner bike and helmet, season-end award and pizza party. A spring, summer and fall league is held each year.

Open racing/practice is open to all licensed USA BMX riders. Our season runs April - November. Gate practice is Monday nights, racing is Wednesday nights (summer) and Saturday afternoons. Check our website for schedule details.

THE ONLY SPORT WHERE NO ONE SITS THE BENCH!

BMX RACING

Bicycle Motocross or BMX as it is more commonly known is one of the fastest growing sports in the country. It is an activity for riders of all ages, from toddlers on balance bikes to adults over 50 and all ages in between.

BMX offers three proficiency levels per age group, so athletes consistently face the fairest and most challenging level of competition possible.

Marysville is home to one of the region's most professional and challenging BMX courses, thanks to the support of riders and local businesses.

BMX is a family sport. Being a spectator is always free and Marysville BMX encourages all members of the family to come and cheer on the racers in the family and other friends.
