

2024 Oklahoma State Series

Overview

Welcome Riders to the 2024 Oklahoma State Series. The season will start on Saturday January 1, 2024 and will end with the State Championship Final and Awards Ceremony. During the state season, in addition to single-point races (District, RFL, and Warnicke single-point races only) held at your local tracks, there will be four State Races (SCR) held throughout the state. The final weekend of competition will be the Oklahoma State Championship Final (SCF).

Amateur Qualifications

1. The state season for single-point races will run between January 1, 2024 and will end on July 15th, 2024. Only single-point races in the state of Oklahoma will be eligible.
2. The State Championship Final (SCF) will be held on August 25th, 2024.
3. A minimum of six (6) single-point races, three (3) SCR's and the SCF are required to earn a state ranking and a number plate.
4. A maximum of eight (8) single-point races, three (3) SCR's and the SCF can be counted towards earning a state ranking and a number plate. The more races run, a better state rank is possible.
5. In the event a rider has more than eight (8) single-point races and more than three (3) state races, only the best eight (8) single-point races and best three (3) state races will count.
6. Year-end awards and plates will go to all riders in each age class for all skill levels (Novice/Inter Girl Expert, Expert, Cruiser, Girl Cruiser) providing they have met the minimum series requirements, defined in rule # 3.
7. Extra SCR races cannot be exchanged or counted towards a rider's single-point race minimum.
8. Series points will be earned from the USA BMX State/Gold Cup points table. Single-point races will be single points, State Races will be double points, and the State Championship Final will be triple points.
9. Riders will participate in the age and skill level they are on the day of any race.
10. Points will be tabulated in the age/skill a rider will be on the date of the state championship. Riders moving up in skill will carry their current points to their new skill level.
11. Non-qualified riders may participate in the State Championship Final race in class, cruiser, or open but can only be eligible for award of the day.
12. Race of Champions qualification will use state points but riders will participate in the age and skill they are on Aug 31.
13. In the event of a race cancellation, the Sanction may modify the series rules to complete the season.

Racing the MAXIMUM number of races can increase a rider's chance of earning a lower ranking/award!

Amateur Points Table

State Points Table (USA BMX rule book)

Novice		Intermediate		Expert/Girl/Cruiser	
1st	18 points	1st	19 points	1st	20 points
