FRENCHIE, THE FRENCHIE OF A FRENCHMAN CURBED

Frenchies are popping up in my world a lot lately — my last Curbed featured a [Frenchie snoozing in San Francisco](#) — so that probably means one will show up on my doorstep. Right?

Meanwhile, this is Frenchie, enjoying the surrounds at [Raymond Vineyards in the Napa Valley](#). He is *a* Frenchie, but this Frenchie is also *named* Frenchie. Frenchie belongs to, appropriately, Raymond's French proprietor.

Frenchie's likeness has already graced a bottle of wine, in a [portrait by artist Carol Lew](#). Each bottle includes a donation to the ASPCA. Since Frenchie is such a benevolent leader, I'll be watching his career very closely, indeed.

Can you imagine what his digs must be like? I have to be friends with this dog.
