FRENCHIE WINERY DESIGNED FOR DOGS

Photos Courtesy of Frenchie Winery

Located at Raymond Vineyards in the Napa Valley, Frenchie Winery is the only tasting room designed exclusively for dogs. Frenchie Winery is named for and inspired by the beloved French Bulldog belonging to Raymond Vineyards proprietor Jean-Charles Boisset.

Frenchie wanted to ensure that his fellow canines would be well taken care of when their people chose to visit

Raymond Vineyards. Inside, the winery includes five individual kennel spaces featuring specially designed wine barrel dog beds and an outdoor play area. A doggie-cam allows pet lovers to keep an eye on their furry friends while visiting the main tasting room. www.FrenchieWinery.com.
