## A show-stopping Napa tasting room

May 11, 2012 | By [Christine Ciarmello](#) | [Comments \(0\)](#)

The last thing I expected to see when I went to a Napa tasting room is this.

Thomas J. Story photo

But then, things are changing in Napa. That faux Tuscan thing? Out. Bring on the disco balls and the Dr. Evil set. [Raymond Vineyards](#) is just having a little fun with its blending lab where you can play around with the wines. Definitely the wackiest of the bunch. The winery won [Sunset's 2011 wine awards](#) for best tasting room in the Best Place to Spend A Day category.
