MY QUEST FOR A BETTER LIFE IN MY 30'S: ENTREPRENEURSHIP, WINE, AND TRAVEL

Awesome Summer Wine Country Events (Sonoma)

I'm a big fan of hanging out at vineyards and wineries. And my personal favorite spot for this, is Sonoma County.

Music, art, wine, and food events abound over the summer in wine country, but not all events are created equally. After a lot of years planning and executing wine events in [Sonoma County](#) (as a former winery hospitality manager) as well as attending them, I tend to look for something a little different when on the hunt for entertainment in wine country. I look beyond tasting rooms or barrel tastings (which can be done all year long), and fancy cheese and wine pairings. I look for opportunities to spend time at wineries in unique ways. Experiences versus simple consumption.

Fortunately for me (and for you!) wine country has a lot of really cool stuff going on this summer. Everything from [outdoor movies](#) in the vineyards against the backdrop of Sonoma Valley (unfortunately this series just ended for the summer) to Secret [Wine Country Speakeasy Dinner Club Events](#) (immersive dinner theater events held in secret locations- 1920's attire encouraged)

Here are a few of my favorites happening this August:

[Shakespeare Under the Stars](#) at Buena Vista Winery Aug 10-21 What's better than a summer outdoor theater experience? A summer outdoor theater experience on the beautiful grounds of one of California's oldest wineries. With wine. This year makes the winery's 36th season doing this event! Showing this season: Twelfth Night.
