### BE THE COUNT OR COUNTESS BLENDING EXPERIENCE \$100pp

Join Buena Vista as Winemaker for a Day. You will be guided through the art of blending by one of Buena Vista's knowledgeable wine educators. Enter the Cave of Curiosity to create your own personalized bottle of red wine. You will have the opportunity to create three different blends, select your favorite, then bottle your wine with your own customized label. You will leave with a newly branded wine tailored to your masterful palate. If one bottle isn't enough, you are welcome to order additional bottles of your distinct blend to enjoy with your family and friends! Reservations required.
