Some expressive, sensual wines this week for Tom Kerridge's heart-warming dishes featured in the Daily Mail's Weekend Magazine this week.

2013 Buena Vista Vinicultural Society, Zinfandel, Sonoma County, California (£13.00, Marks & Spencer). This Zin is lush, rich, suave and sexy with deep, plummy fruit and amazing spice. Full-bodied but not clumsy it is easily assertive enough to handle the Mustard lamb shoulder recipe which would topple any lesser red in its path.
