

Pop Up Wine Party at Buena Vista Winery

On July 30, San Francisco Magazine hosted a Pop Up Wine Party in the Historic Wine Tool Museum at Buena Vista Winery. Guests were treated to a complimentary glass of JCB No. 21 and enjoyed gourmet bites by Classic Culinaire Catering. The French Oak Gypsy Band kept the party rocking all day and every guest left with a gift bag filled with special treats including a Kenwood Restaurant certificate offering complimentary oysters, a custom JCB cookie created by Fabino Bakery, TCHO chocolates and much more! One lucky person won the "Pack Your Bags Getaway" and was invited to stay at the Best Western Sonoma Inn that evening.
