Tailwags and Handbags

Pets Lifeline held their 6th annual Tailwags & Handbags, a ladies luncheon, hosted by the generous Jean Charles Boisset at Buena Vista Winery.

Guests were treated to an elegant meal catered by Stellar Catering, a collaboration of the award winning Ari Weisswasser of Glen Ellen Star and Bruce Reizenman of Park Avenue Catering.

Sonoma's own Mark Danon of KRON4 contributed his talents as an auctioneer to make this year the most successful Tailwags soiree to date with the event raising \$30,000 for the shelter.

A shade canopy provided a cool, comfortable setting for the luncheon. Guests were serenaded by Steel & Ivory with Dr. Kristie Janczyk on piano and Matt Vincent on violin.

Let's hear it for the Dogs and Cats!
