

Buying Guide: Top Champagnes For New Years Eve

The best values and bargains on champagne from the brightest wine minds in the Twin Cities

Print out this list and take it to your favorite liquor store! I love Champagne, and it's not just for New Year's Eve or for celebrations (I drink it on Tuesdays). But it *is* the staple drink to ring in the New Year, so I reached out to some of the best wine minds in Minnesota to ask for their tips on what you should buy.

Beau Farrell, Haskell's: [Louis Bouillot Brut](#) (Cremant de Bourgogne sparkling wine from Burgundy, France), \$15.99. The wine is well crafted and delicious. Simple, clean and always fun to open and enjoy with friends. I get out of trouble with my wife with this wine. When I screw up, I don't send flowers, I offer wine. Works every time.
