

## Perfect pairings - the best food friendly wines

The best food-friendly wines to enjoy with your Christmas dinner

**Louis Bouillot Cremant de Bourgogne 'Perle de Vigne' Brut N/V (Burgundy, France) €25, 12pc, selected independents including Donnybrook Fair**

A champagne-style French sparkling wine produced outside Champagne, Cremant offers great value drinking. This Chardonnay-Pinot Noir blend has the richness to stand up to a liver pâté or smoked salmon, and the acidity to freshen your palate.
