### **Sparkling wines to finish off 2016 and start 2017**

Sparkling wines are wines of the world — they are made everywhere, it seems — and their effervescence has made them favorites for life's large moments. Here are 29 of them, half priced under \$20, to finish off 2016 and start 2017.

**Louis Bouillot Édition Limitée Crémant de Bourgogne Extra Brut NV (\$19).** Very enjoyable and well-structured with rich creaminess and some apple flavors.
