Pour for a Cure

Over \$95,000 was raised at **Pour for a Cure: Taste Wine, Fight Lupus** in Santa Rosa. In September, the Lupus Foundation of Northern California (LFNC) and the Lupus Research Alliance (LRA) were beneficiaries of the inaugural event presented by Sharon and David Seto and their family and hosted by Helene and Larry Edelman. *Pour for a Cure* was attended by over 200 supporters, among them San Jose's First Lady Jessica Garcia Kohl, designers Yuka Uehara, Lisa Kieu, and Gioi Tran, and former 49er Larry Schreiber.
