THE RUSSIAN RIVER VALLEY CALIFORNIA'S TOP 10 WINERIES

As someone who spends as much time as possible in Wine Country, I've gotten to know many different wine regions over the years including the Russian River Valley. The Russian River Valley is located North of San Francisco about 1.5 hours with incredible wineries you must experience. See The Top 10 Russian River Wineries below. If you want to check out some other regions of California see some other Top 10 lists here: [Paso Robles Top 10 Wineries](#), [Napa Top 10 Wineries](#), [Sonoma Top 10 Wineries](#), [Santa Maria Valley Top 10 Wineries](#) & [Anderson Valley Top 10 Wineries & Restaurants](#).

DE LOACH VINEYARDS

Another Russian River Winery that's fabulous is De Loach Vineyards. This is owned by the legendary Jean-Charles Boisset (aka J.C.B.) and makes biodynamic wines. This winery has some of the most *spectacular vineyard views* I have ever experienced and wines that are fabulous as well. Be sure to save time to take pictures in their vineyards as they have some of the most photogenic views of any vineyard in the area. 1791
