### BOISSET'S CELEBRATE PERSIAN NEW YEAR

On Saturday, March 24, 50 esteemed guests gathered at Wappo Hill, the private home of Jean-Charles Boisset (JCB) and Gina Gallo Boisset for a feast celebrating Nowruz, Persian New Year. JCB wines were paired with cuisine prepared by Lily Rezaei from Orchid Persian Catering with the help of Victor Scargle. Guests were seated around the dramatic indoor pool and dined on a scrumptious spread of classic Persian dishes. Throughout the evening, the crowd was entertained by traditional Persian music and professional dancers who got the group involved. Among the guests were Boisset wine club members, including JCB Collectors Iraj and Fariba Zolnasr, who helped advise on the details of the evening.
