**John Legend** is a winemaker! The Grammy-winning singer celebrated the launch of his new Legend Vineyards Exclusive (LVE) rosé at an Airbnb Concert in Beverly Hills, CA, on Thursday, where he was joined by his wife **Chrissy Teigen** and daughter **Luna**!

*John and Chrissy were gorgeous in pink at the exclusive event. Luna looked adorable in a striped blue dress with blue pom poms!*

*Not many men could pull off an all-pink ensemble, but John looked amazing in the Alexander McQueen getup.*

During the A-list soiree, John even serenaded guests with a special musical performance.

Even Kris Jenner and her boyfriend Corey Gamble were in attendance!
